**About Continuum**  
Continuum Economics (formerly Roubini Global Economics) is the international market-leading service for independent economic research powered by 4Cast and Roubini Global Economics. With its growing user base of 10,000 clients and a reputation for incisive analysis on every aspect of the market, it provides research that spans short-term market signals and long-term strategic themes. This approach uncovers opportunities and risks before they come to the attention of markets, helping our clients make more informed decisions. Continuum Economics works with clients in a series of different ways, from macro strategy subscription products to bespoke work, multi-client conference calls, direct access to analysts and the licensing of its systematic country risk analysis tool.
